

## Hope Fletcher-Porter

*In a city that never sleeps, Hope works tirelessly, fueled by unconditional love for her loved ones and the 'common unity' she sees in her community.*

Mother of 3 and  
Grandmother of 7

Over 30 years of Service to  
the Las Vegas Community.

Owner-WHISPERS OF  
HOPE, LLC  
Resource Navigator

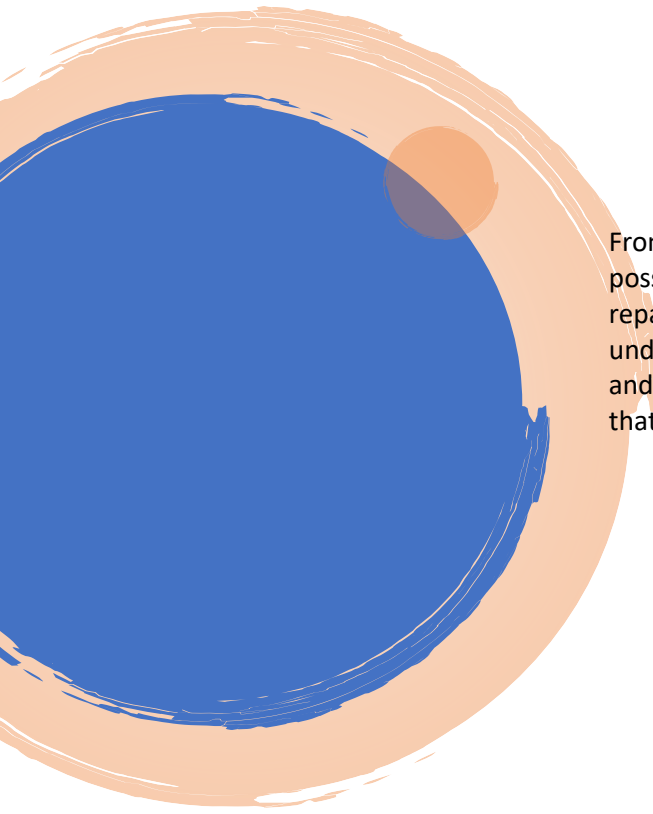

Owner-Bed of Roses  
Wedding Officiant

Hope Fletcher-Porter grew up in Las Vegas, Nevada. A dedicated wife, mother, grandmother, sister, and friend, she believes love of family and finding your passion are what make life worth living. She is especially proud to be the loving grandmother to her 7 grandchildren. She knows that parenting doesn't come with directions, just being yourself and acknowledging you're not perfect makes room for growth and understanding. Hope is the number one fan for each of her children; cheering them on when things go well, huddling with them when things don't, and loving on them always!

She has always loved all things beautiful, so it stands to reason that some of her hobbies include traveling the world to visit botanical gardens, creating floral arrangements and interior decorating. Those hobbies led to the founding of Bed of Roses; Hope's company that brings couples together in love and marriage. She became a licensed wedding officiant earlier this year and Bed of Roses continues to create special memories and moments based on the beauty of love. In 2022, she founded her public service agency, WHISPERS OF HOPE, LLC, to ensure hope through advocacy, dependability, and results. She continues to meet her goals, which include plans for creating boxable home communities for single parents and seniors.

Currently serving others as a mentor, coach, resource navigator and business owner, Hope makes everyone she encounters feel special. Her areas of service and expertise include helping community members find self-sufficiency, personal resource alignments, and fostering community assessments. She also prides herself on deepening community connections.

An award-winning community servant, Hope has a passion for compassion when assisting the elderly and those in need of spiritual healing. She has supported community causes in church ministry, mental health and senior advocacy, as well as local and state government programs for over 30 years. Her motto for serving the community is: "Passion, purpose, and prolific prayer help you find your peace".

From adopting 6 families with the help of sponsors, making safety a possibility for domestic violence survivors, assisting seniors with car repairs, relocating families from squalor to safe, peaceful, homes in under 3 weeks, providing guidance and residence services for veterans and even suicide prevention and counseling referrals, Hope has learned that service is a gift that keeps giving.
